## LISBON PB | HIGHLIGHTS

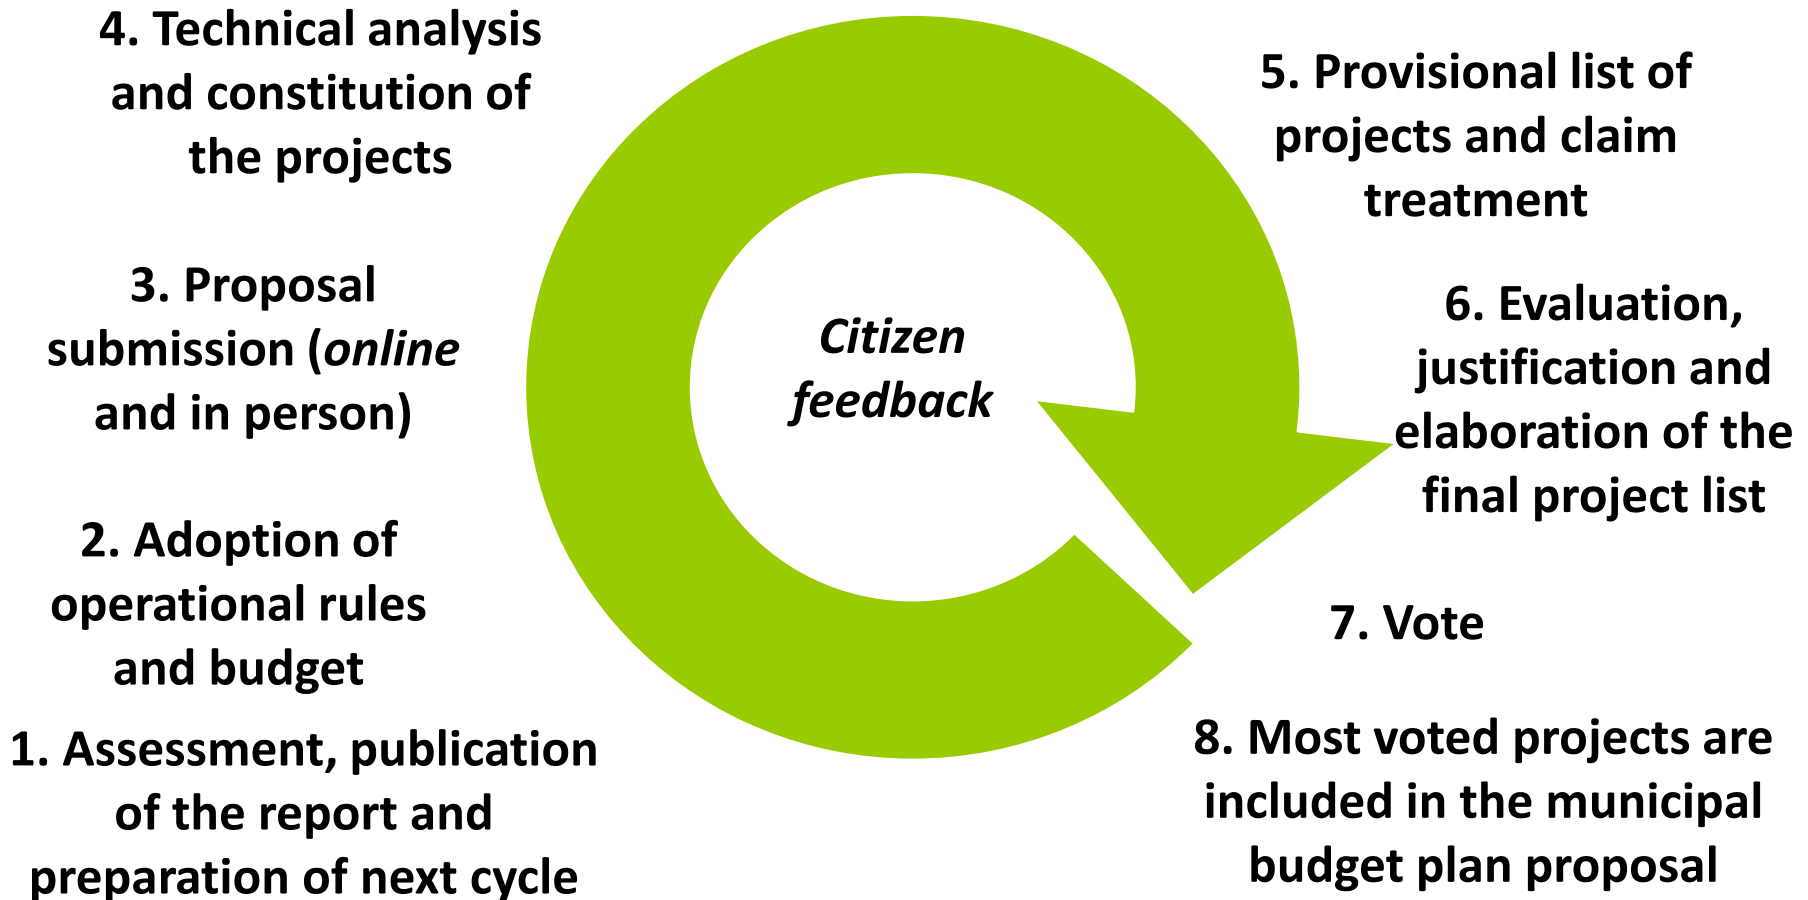

- **Inspired by the values of Participative Democracy** (Article 2 of the Constitution of the Portuguese Republic)
- **Principles Charter of the Lisbon Municipality PB** approved in July 2008, year of 1st PB edition
- **For 10 years continuously**
- **The first European Capital** to implement PB
- **Inspiring example for other PB's of National and European Cities**
- **Global** (City Council Responsibilities)
- **Universal** - For all citizens (more than 16 years)
- **Process open to non-resident citizens** from the start

## LISBON PB | HIGHLIGHTS

- 1. An open model**
- 2. Model with deliberative dimension (co-decision):**
  - 1. Citizens submit proposals and vote directly on projects they choose, until the budget limit annually defined for co-decisional processes is reached (2.5M€ / 2 groups of projects: Structural, between 150.000€ and 500.000€ and Local Projects, between 50.000€ and 150.000€)**
  - 2. The winners projects are integrated into the proposed budget and activity plan for the municipality the following year**
- 3. With Multiplier Effects - Influencing and shaping policies / Changing the city / Creating dynamics among stakeholders / CoResponsability and greater interconnection when one is involved in the solution itself**
