The Urban....

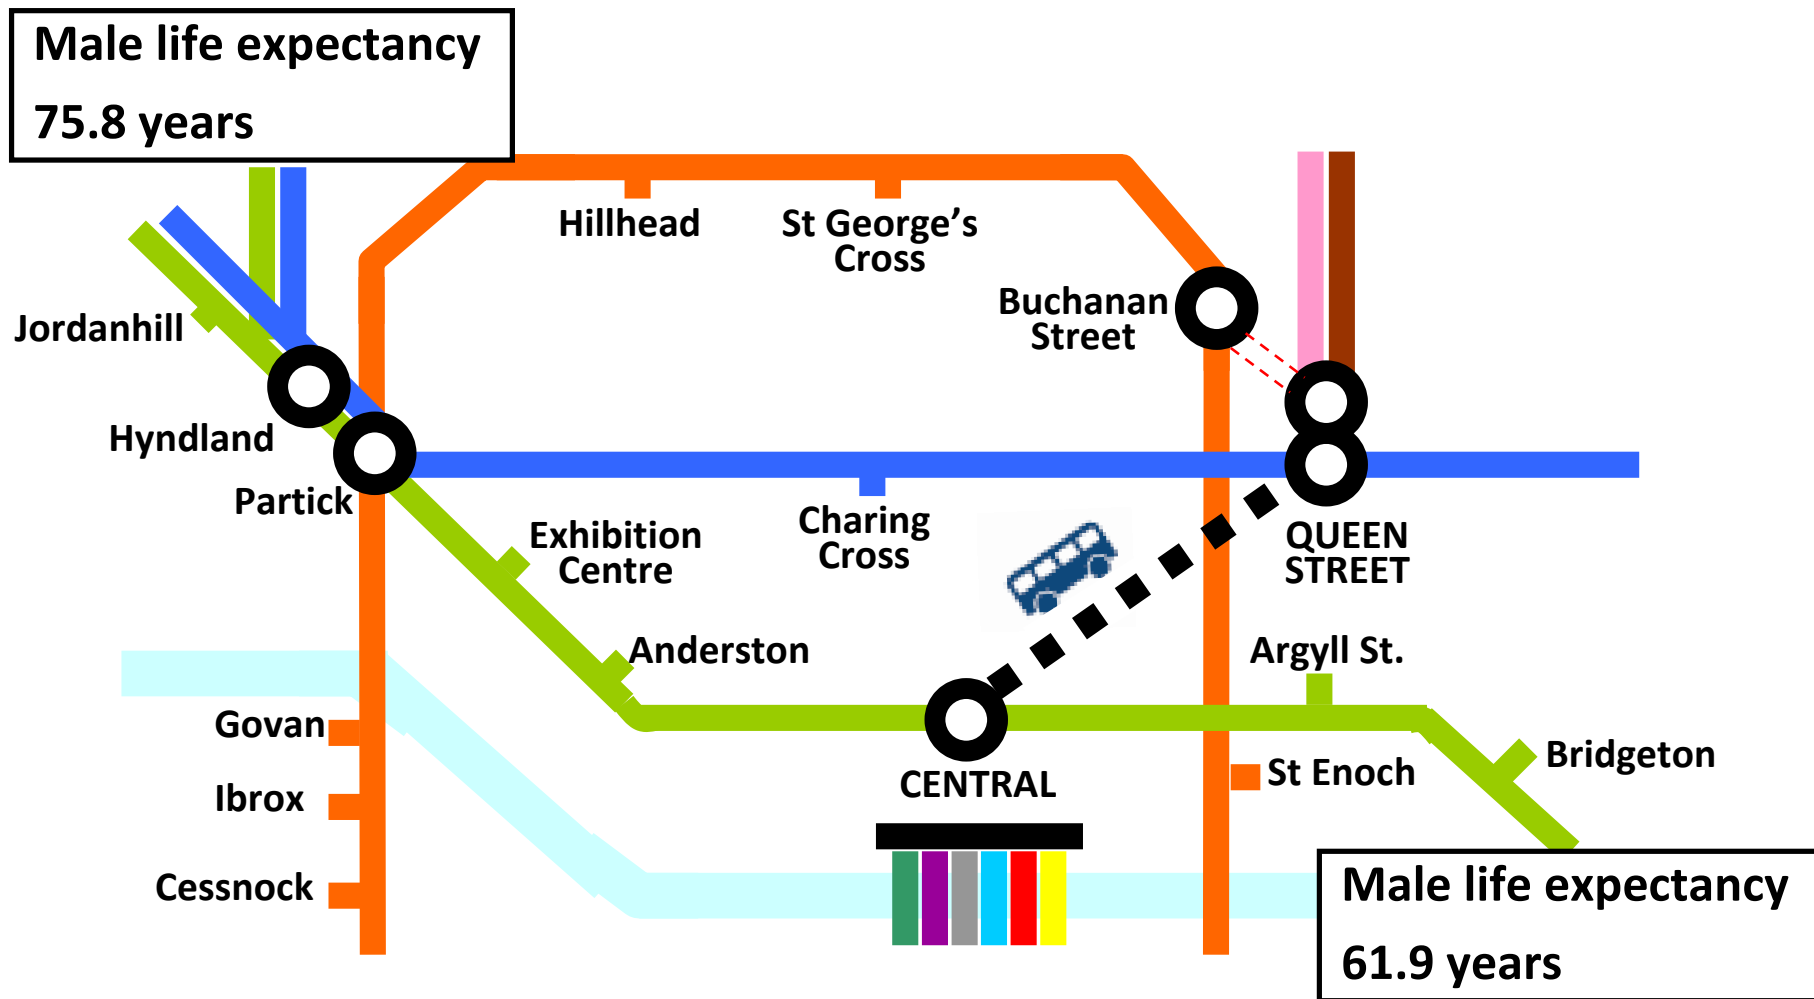

The Rural...

The different lived realities.

Two sides of the same city....a 15 minute journey that costs 14 years!

Challenges of a rural landscape...

➤ **Connectivity**

➤ **Geography**

➤ **Community**

➤ **Representative vs Participatory**

From Transactional to Transformational...

- **Build more capacity in communities**
- **Focus on making an impact on inequalities**
- **Mainstream effectively towards a sustainable 1% PLUS**
- **How we work**

Thank you...
